4TH OF JULY

The Annual Isle of Pines 4th of July Parade and Party will be held Thursday, you guessed it, July 4th from 5PM to 10PM.

PARADE

Join the neighborhood parade which starts promptly at 5PM at the end of Lake Mary Jane Road as it leads the way to South Beach Park . The parade is for all ages including adults! Decorate your bikes, wagons, strollers, golf carts, horses, or whatever kind of float you can create! Lineup is at 4:45, (in front of the Isle of Pine Preserve hiking trails entrance at Marine Drive and the dead end of LMJ Rd). The Fire Station will escort the parade into the park. With all our wet weather lately decorate knowing there may be our typical Florida afternoon shower! (Parade will NOT be canceled due to light rain only if there is severe weather.)

If you are not joining in the parade, please line up along the streets and cheer on our parade!

Party festivities to follow the parade (and once again this will not be canceled due to rain just possibly delayed until severe weather passes.)

PRIZES & GAMES

There will be prizes for all parade contestants. Judges will be awarding ribbons for the following categories:

Best of: Ages 0-5, Ages 6-10, Ages 11-16, Ages 17 and up, Best Use of Color, Most Ridiculous Decorations and Most Patriotic.

There will be GAMES throughout the party with a sign up sheet by DJ John indicating times and games

FOOD:

Hot dogs, Hamburgers, and Liberty Fries will be provided by the association.

PLEASE bring a covered dish to share as this is a POT LUCK event.

Without your contribution to the pot luck, we cannot make this an ongoing success; and we love the variety of food! If you don't have time to make something bring chips, watermelon, cookies, or swing by Publix!

Presidents Letter

What a fun time at Cinco de Mayo in the IOP, we had great food, a piñata for the kids, and Dustin came back as a DJ for this party. Thank you Tim and Tami for preparing the main Mexican dishes, the awesome flowers and decorating, we had very good side dishes brought. Everyone enjoyed the evening in the park. I met a long time resident and his wife for the first time they came out to enjoy this event.

I am really looking forward to the Father's Day Fish fry let's see who brings in the big bass this year. I wish all the contestants good luck!

4th of July in the IOP, we are working on the details for the best place to be this 4th of July. Lets see some patriotic creativity on those bicycles and golf carts and floats this year. Come to the party and if you can come help decorate the pavilion we never have enough help for any of our events.

Always use you key to enter the park and relock the gate. Our insurance company mandates all the gates should be locked at all times.

Let's have a safe summer now that school is out, please drive slowly through the neighborhood, remind young drivers the speed limit is 35 and we share the roads with pedestrians, bicyclers and our animal neighbors.

See you in the IOP,

Terry Aikens

HAPPY FATHERS DAY TO ALL YOU

DAD'S

Kids Time

Things You Will Never Hear A Dad Say :

- Well, what do you know? I'm lost. We'll have to stop and get some directions.
- Here are the keys to my new car. Oh, take my credit card, too. Have fun!
- Football? You want to play football? What about figure skating, son?
- Mom and I are going away for the weekend. Would you like to throw a party?
- No, I don't actually know what is wrong with your car.
- Son, let's go to the mall and get you an earring.
- You don't need a job! I have plenty of money for you to spend.

DAD, YOU'RE WORTH EVERY PENNY CARD

What you'll need:

- 8"x10" piece of light cardboard (cereal box, etc)
- 1 sheet green construction paper
- 9 shiny pennies
- Green fine point marker
- Pencil with eraser
- Blue fine tip marker
- Scissors
- White craft glue

Glue stick

1 How to make it:

Fold the green construction paper and cardboard in half like a greeting card. Place the cardboard on the inside of the green construction paper, lining up the fold lines. Use a glue stick to attach the cardboard to the construction paper. Trim off the excess paper if needed. Use pencil to lightly write "DAD" across the front of the card, leaving about 1.5" space underneath.

Use green fine point marker to draw dollar signs on "DAD" letters. Erase any pencil marks that might show through.

Use white craft glue to attach a penny to each corner of the D's, where the curve meets straight lines, and at the center of the curve. Glue a penny to the top of the letter A, and two at the bottom.

Write, "You're worth every penny!" underneath "DAD" with blue fine point marker.

FYI

If you experience shoddy AT&T or any other cell phone reception inside your home or small office, you may be able to receive a device that boosts your cell phone signal. I knew I could buy one at the AT&T store but the idea of paying AT&T \$200 for a device that uses my own internet connection so I can make phone calls doesn't really appeal to me, believe it or not.

My husband called AT&T and complained about our reception inside our home and they sent him a booster box at **no charge**. The MicroCell is a little box that plugs into your home internet connection and acts as short-range, personal AT&T cell tower of sorts. We have full bars reception for the cell phones that he registered on set up. He can add only AT & T cell phone numbers to get the same reception. This makes it more convenient for getting calls and not having to drive down the street to make calls.

I have heard Sprint also sends out a booster box for at no charge, so you may want to check with your cell phone carrier.

Our house was able to receive U-Verse TV, it is less expensive for us than Direct TV and we are happy with the channels and it does not go out when it rains hard.

I am not promoting this service over any other service, just FYI.
