Bylaw Committee:
Suzanne walked through a rough draft of edits and add-ons based on the current bylaws that the group has been working on. We will NOT be publishing the rough drafts to prevent confusion. Hard copies were shared with the attendees to follow along with and provide input.

New Business –

- Discussion about board members' ability to request funds under 200.00 without having to wait until the board can vote in person.
- Suzanne requested a letterhead for IOPPOA. Nickie will create one from Canva.
- Bounce houses – Michelle Andrews brought a copy of a insurance rider they use at her work. Overall, we should be covered if the family wanting to use a slide at the park gets a rider. We will address this as Private Party Requests come in.
- Letter addressing the canoe issue with the Cox child was sent certified mail and delivered.
- Sarah will create a request for new members to join the IOPPOA and for new board members.
- The water softener system was cleaned up and is working well.
- Michelle and Justin Andrews will host the Halloween party – tabled

Old Business –

- Rick and Billy brainstormed about adding a "No Boats in swim area" signage, a Bouey with ropes or without. Tabled
- Brainstorming about how to protect the new grassy area by the boat ramp. Maybe add posts like around the septic.
- Labor Day Party – Everyone needs to sell tickets and Billy will set up tug a war for event but may not be there day of event.
